St. Andrew's Anglican Church

Sunday, July 17, 2022

Carlo Cherubini teams up with one of our youth to put boxes together at WARM when we served there in the spring.

Volunteer to serve at WARM next Saturday by signing up at <https://app.onechurchsoftware.com/standrews/forms/86>

One of our youth seals boxes of food that has been sorted and will eventually find its way to the shelves of WARM's food pantry.

The St. Andrew's Service Team is hosting a service day at the Westerville Area Resource Ministries (WARM), located at 150 Heatherdown Drive in Westerville, on Saturday, July 23, between 10 a.m. and noon. We will sort, inventory, date-check and store canned food items, which will be donated to needy families in the Westerville area. Please join us for this family-friendly service event, which is open to volunteers of all ages.

WARM is a faith-based organization serving the Westerville community, supporting families who are on the economic and spiritual journey of self-sufficiency. WARM provides short-term assistance, educational and job services and spiritual support to encourage individuals to achieve a God-reliant, self-sufficient life while restoring dignity and hope.

Liturgical changes coming next Sunday

Beginning next Sunday, July 24, we will be using the Renewed Ancient Text, which begins on Page 123 of the Book of Common Prayer, for the liturgy at all three services. Bishop Mark Engel has let the Diocese know that he plans to use this service at all parish visitations, and Fr. Ron wants us to become familiar with it before he comes for his next visit to St. Andrew's.

Use of the Renewed Ancient Text will bring some changes especially to the 11:15 a.m. service, which will include using all of the Scripture readings and some additional prayers. Fr. Ron is making these changes to allow the new rector to be able to use an authorized prayer book service rather than the abbreviated service that he designed before the new prayer book was released in 2019, and which has only ever been used in our parish.
